Please observe Open Class rules as stated at the beginning of the Open Class section.

1. All wines must be made by amateur wine maker, at their homes, not at commercial facilities. If made as a group/team, all wine makers must be listed.
2. Entries must be submitted in a 23-27 fl. oz. wine bottle. Only one bottle per entry is needed in all classes, except where noted. Still wines should be in cork finished bottles.
3. Entries shall not bear labels, markings, or bottle decorations, other than the official entry tag. Entry tags should be applied to the upper 1/3 of the bottles. Please do not put labels over the top of the bottles.
4. There is no limit to the number of entries per exhibitor. All entries in the same class by an individual exhibitor must be different. An exhibitor may enter different types of the same fruit; e.g. Raspberry Red or Raspberry Black; but not two entries just called Raspberry in the same class. - Please observe Open Class rules as stated at the beginning of the Open Class section. **Different vintages** of the same type will be an adequate difference.
5. Dry red wine will be permitted to breathe for one hour prior to the judging.
6. The Best of Category judging will be held immediately following the completion of the individual class judging. There will be three Best of Category ribbons: Vinifera, Hybrid and Country.
7. The judge's decision will be final.
8. The Grape Wine classes must contain only grapes. They may not be blended with any other fruit. At their discretion, the judge(s) may disqualify any wine they feel violates this rule. Their decision is final.
9. All entries must be homemade. Commercial wines and wine makers may not enter.
10. **All entries must list primary ingredients** as noted: Apple, Zinfandel, Chenin Blanc, Rhubarb, Elderberry, etc. It would be helpful to the judge(s) to list any secondary ingredients also.

11. All wines will be disposed of after judging.
12. PLEASE NOTE that all Wild and Labrusca (i.e. Concord) grapes are to be entered in Classes 71 and 80.
13. Most Unusual Wine rosette will be awarded to the highest scoring, ribbon winning entry made from unusual ingredients, as determined by the judge(s) and superintendent.
