\* Snow Days will be added back into the calendar. The last day of school is determined by the number of snow days used. **The last scheduled day of school is MAY 18.** The last day may change depending upon how many scheduled days are canceled. If one snow day is used it would be May 19th, two snow days = May 20, and so on. Other than rare instances, we will try to complete school by Memorial Day, but in order to do so, other calendar changes could be necessary.
