September 2009 Parent Newsletter

H1N1 Updates

For more information about the H1N1 virus, visit www.ascd.org/flu.

Forms

Please make sure your student has updated his/her demographic information and turned in the student/parent handbook receipt and health form. Our office will be checking this week and assigning detentions to those who do not turn in their forms. We appreciate your help in avoiding the need for disciplinary action.

Graduate Survey

A Concordia grad student will be conducting a study this year to determine if students in athletics do academically better or worse than students not in athletics. No names will be used and the survey will be administered using student I.D. numbers only. If you have any questions, please give me a call.

Parent/Teacher Conferences and Senior Parent Meeting

First term conferences will be Tuesday, September 15 from 5:30pm to 7:30pm. Teachers will be located in both gyms and student class schedules can be picked up in the office. The counselors will be hosting a senior parent meeting at 6:30pm in the new theater for those who can attend. They will be discussing important information pertaining to scholarships, college, and life after high school.

Homecoming

The week of Monday, September 14, will begin homecoming week. The student council and cheerleaders will schedule events throughout the week. On Friday, September 18, there will be an afternoon parade and pep rally at the band shell. In addition, there will be a dance at the high school following the home football game.

TeamMates

Current mentees and mentors will have a social outing at the Seward bowling alley on Sunday, September 20 from 1pm to 3pm. Anyone interested in becoming an adult mentor for a youth in our school system is also welcome to attend.

No School

There is no school on Monday, September 7, and no school on Monday, September 21.

Health Screening

The nurses have scheduled our annual student health screening day for Tuesday, September 22. If you have questions, please contact our school nurse, Linda Luebbe.

Principal Breakfast For Parents

On Friday, September 25, I invite all parents of freshmen last name M-Z to an informational meeting at 7:30am. It gives me a chance to meet some of you and an opportunity for you to ask questions. There will be rolls and coffee for those in attendance. No RSVP is necessary.

Picture Retakes

Our camera man will be here on Wednesday, September 30 from 7:30am to 8:30am for anyone who did not get their school picture taken.

Testing Day

The counselors have scheduled our fall testing day for Wednesday, October 14. We use that day because it is the only school day that the PSAT is allowed to be given.

Professionally,

Chad Denker

Good Luck To Everyone Involved In Fall Activities.
